ABSTRACT

This 60-minute videotape leads teachers and students step by step through the rewarding world of gardening. It presents successful methods for gardening indoors and outdoors, in the ground, in containers, or in raised beds. Simply by following four fun and easy to understand programs, students learn about: (1) getting a garden started; (2) creating healthy soil; (3) planting; and (4) how to create a healthy garden environment. (ZWH)
